

# IMAGINE PORT ARTHUR!

Your Dream, Our Future!

## Make your voice heard for the future of your neighborhood!

BE PART OF THE CITY OF PORT ARTHUR COMPREHENSIVE PLAN PROJECT!

### What's happening?

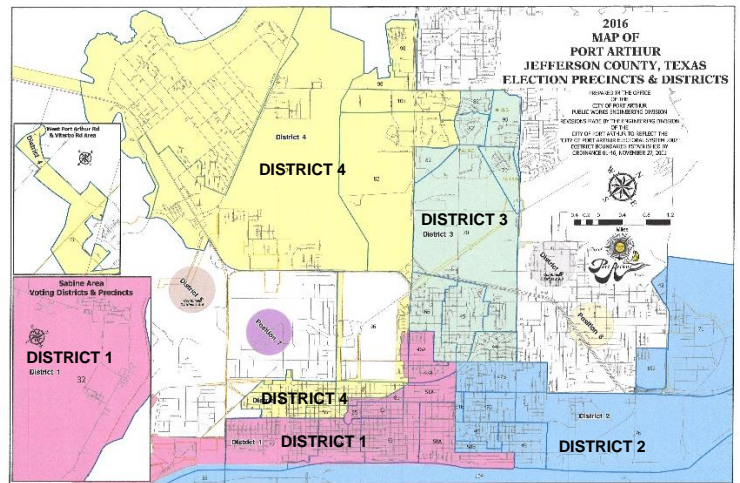

The City of Port Arthur has begun the process of strategically planning for its future. With its rich history, cultural assets, and its role as one of the Nation's largest growing center's for industry and commerce, Port Arthur is positioned to emerge as a renewed and strengthened All American City.

### You are needed!

Making great plans require the ideas and voices of the entire community. **EVERYONE HAS A PERSPECTIVE FOR A POSITIVE FUTURE AND WE WOULD LIKE TO KNOW YOURS!**

### How can you participate?

Four Community forums are planned in the City. At each meeting, there will be background information presented about Port Arthur. Residents are encouraged to participate in all discussions related to the future of Port Arthur, as well as, challenges that we currently face and/or anticipate in the future and what measures to take to get ahead of those challenges. Please plan to attend the meeting corresponding to the district in which you live.
